

ABSTRACT OF THE DISCLOSURE

2 A tow hook hitch assembly attaches to one or both of the front tow hooks provided on a four
3 wheel drive vehicle for mounting a tow ball, winch, or other accessory to the front end of the vehicle.
4 The tow hook hitch includes an upper member extending above the tow hook, a lower member
5 extending below the tow hook, a shaped insert secured to the upper member or lower member for
6 extending within the tow hook, and a clamp bolt for securing the aforementioned components
7 together.
